What Made Australian Camp So Special

Mar 2023

Went to Australian Camp, Dhampus trail with family. It was a very good experience. Views of Fish Tail from both the places were so beautiful. Arrangements from Nepal Alternative Trek & Expeditions under Mr. Tej Bahadur was excellent. Hospitality and food was good. Also went to Nagarkot, Sarangkot and Pokhara. Enjoyed Nepal very much; wish to come back again.

Nepal Tour Is Something I'll Always Recommend To First Time Nepal Visitors

"Nepal Alternative Trek addressed my needs according to my schedule and agenda. I stayed most of the time at his home-stay, shuttling between home and the places that I wanted to visit. Tej, the boss behind Nepal Alternative Trek, helped to make my stay in Kathmandu comfortable and productive. He walked me to the monasteries that I wanted to visit and even picked me up when I needed a ride back home.

The home-stay is hosted by his wife and I got to experience living with a Nepalese family, sharing their food, space and laughter.

For the home-stay:

- 1) Meals available upon request
- 2) Family get together and chats
- 3) Regular change of bed-sheets and towels
- 4) Free WIFI
- 5) Near Swayambhu and Thamel
- 6) Safe environment
- 7) Mountainous forest behind home
- 8) Walking distance to beautiful monasteries
- 9) Away from hustle and bustle of towns yet easy to get to town

I left the home-stay with a smile.

All the best,

Richard

After your trip starts, we cannot provide a refund for any voluntary withdrawal, cancellation, or early departure by the traveler. This means ***the full amount paid to us will not be refunded after the trip has begun.*** Likewise, if during the trip, any services such as accommodation, sightseeing, meals, transportation, etc. included in the itinerary/trip are not used by the customer, no refunds or reuse will be provided to whatever portion remains unused on the trip.

Also, please note that ***last-minute cancellations are non-refundable.*** You have to understand that many trip arrangements such as accommodation, transportation, permits, guides, and operational logistics are confirmed and pre-booked. Thus, cancellations made at the last minute create non-recoverable costs for the company and so do for our clients. In addition, cancellations made shortly before the departure date or after the trip has started will be considered as last-minute cancellations and will not be eligible for any refund.

Still, the company will use their discretion in setting the conditions for the refunds, therefore, few of the conditions mentioned are subject to change. A trip is guaranteed to run once it has two fully paid travelers unless minimum numbers state otherwise.

Unfortunate circumstances such as unforeseen natural disaster, canceled flights, strike, industrial action, wars, riots, quarantine, government intervention, weather, the deteriorating health condition of a group member, etc. could lead to cancellation of trips. In such cases, the customer can either ask to get back the 90% of the total trip cost paid to the company (13% Government Tax will be deducted) or reuse the cost in an alternative trip with the same price, immediately, in the following season of the same year.

The company will require a written notice in case of any cancellation. Please ensure the date of the trip cancellation is the date on which the written cancellation is received by the company. If you cancel the trip anytime prior to the departure date of the actual trip, 90% of the total cost is reusable for a year or

refund.

In case of any changes in the price of the trip during the procedure of booking and the amendments, the new cost will be applied to the trips. Please note that these changes might not be applied by the company, but can be levied upon the company by the third parties i.e. the hotels or the service providers working with the company.

Any changes, amendments, or additions in aggregation to the trips you have booked, for example, hotels, transfers, additional days, etc. will account for no additional fee.
