Cancellation Policy

We understand that plans can change willy-nilly. However it is our responsibility to ensure fairness and transparency among our customers regarding our cancellation policy. So we kindly request all travelers to carefully review the cancellation and refund policy before confirming their trip.

After your trip starts, we cannot provide a refund for any voluntary withdrawal, cancellation, or early departure by the traveler. This means ***the full amount paid to us will not be refunded after the trip has begun.*** Likewise, if during the trip, any services such as accommodation, sightseeing, meals, transportation, etc. included in the itinerary/trip are not used by the customer, no refunds or reuse will be provided to whatever portion remains unused on the trip.

Also, please note that ***last-minute cancellations are non-refundable.*** You have to understand that many trip arrangements such as accommodation, transportation, permits, guides, and operational logistics are confirmed and pre-booked. Thus, cancellations made at the last minute create non-recoverable costs for the company and so do for our clients. In addition, cancellations made shortly before the departure date or after the trip has started will be considered as last-minute cancellations and will not be eligible for any refund.

Still, the company will use their discretion in setting the conditions for the refunds, therefore, few of the conditions mentioned are subject to change. The company holds every right to cancel the trips booked by the customers before it is guaranteed to run or an official agreement is signed. A trip is guaranteed to run once it has two fully paid travelers unless minimum numbers state otherwise.

Unfortunate circumstances such as unforeseen natural disaster, canceled flights, strike, industrial action,

wars, riots, quarantine, government intervention, weather, the deteriorating health condition of a group member, etc. could lead to cancellation of trips. In such cases, the customer can either ask to get back the 90% of the total trip cost paid to the company (13% Government Tax will be deducted) or reuse the cost in an alternative trip with the same price, immediately, in the following season of the same year.

The company will require a written notice in case of any cancellation. Please ensure the date of the trip cancellation is the date on which the written cancellation is received by the company. If you cancel the trip anytime prior to the departure date of the actual trip, 90% of the total cost is reusable for a year or refund.

However, if the customer's request for a booking amendment in less than 60 days before the trip departure, then the charges will be as per the cancellation policy mentioned above. In case of any changes in the price of the trip during the procedure of booking and the amendments, the new cost will be applied to the trips. Please note that these changes might not be applied by the company, but can be levied upon the company by the third parties i.e. the hotels or the service providers working with the company.

Any changes, amendments, or additions in aggregation to the trips you have booked, for example, hotels, transfers, additional days, etc. will account for no additional fee.
