Trip Overview

Overview

Mardi Himal heli tour offers you enchanting views of mountain ranges like Mt. Mardi, Mt. Machhapuchhre (Fishtail) and Himalaya ranges from close proximity. The newly launched tour operates on a daily basis for private and shared group with fixed departure every week on Friday.

The opportunity to have a stunning view of the combinations of rich flora & fauna, mountain, forest, varied birds species, wildflowers and wild animals are supplementary attractions for visitors of all kinds. This helicopter tour lets you to an extreme height of 4,500 meters from sea level - Mardi Himal. This tour is the perfect alternative for those who want to experience the beauty of the Mardi himal region. Without having to physically challenge yourself like that of [Mardi Himal Trek](#).

Frequently Asked Questions

Is Mardi Himal Base camp heli tour safe for tourists?

Yes, this helicopter tour is safe for tourists. This area has not experienced any security issues during flights. Also, there is no burst of epidemics or viral diseases or covid-19 spread. Travelers won't have high altitude problems as it is a short stay in Annapurna Base Camp and fly back to Pokhara at low altitude.

When is the best season for this helicopter tour ?

The best season for Mardi Himal Base Camp Helicopter Tour is during autumn (September to November) as the weather is stable, dry, and clear. Also, the atmosphere is merry during these seasons, as autumn is the major festive season of the country. Another favorable season for this tour is during spring (March to May) as the trails become more vibrant and pleasing with the blooming of different wildflowers and Rhododendrons. The days are clear and perfect for a helicopter ride.

December to February is the coldest time of the year. From June to August, the region experiences the summer season. Humidity increases along with the temperature.

Do you have other dates available that match my timing?

Even though the Mardi Himal Base Camp Heli tour package has pre-fixed group departure dates, we can tailor it to accommodate your specific requests and schedule. Please review our designated departure dates, and if they do not suit your timeframe, let us know your preferred timing so that we can manage your itinerary accordingly. We organize this tour as per your wishes and convenience.

As a single traveler, may I join fixed departure group ?

This group heli tour package is designed in such a way that they suit single travelers too. It is a great way to get to know new people with similar interests, and most people find that group dynamics are very friendly and comforting.

How long will we have a heli ride ?

We will have a wonderful heli ride to Mardi Himal base camp which takes 15 minutes and another 15 minutes for return. We will spend 30 minutes at Mardi Base Camp for photography.

What are the documents that we need to bring for this heli tour ?

You need to submit the following documents that should be sent via email :

- A copy of passport,

What is the weather and temperature like we can expect during the heli tour ?

The temperature could range around and above 25 degrees Celsius in summers and decrease below -5 degrees Celsius in winters. During autumn and spring, the temperature ranges around 10 to 20 degrees Celsius, making it suitable for Mardi helicopter tour purposes.
